

Dear Foursquare Family,

Welcome to Lake Garda, in the northeast of Italy!

If this is the first time that you visit what is known all over the world as the „Bel Paese“ (Beautiful Country), then this is your chance to literally „taste and see that the Lord is good“, because here is where you can „taste“ some of the most delicious food that God has made, as well as „see“ some of the most gorgeous sights of his creation!

This is also the land where the early church prospered and multiplied under the fierce persecution of the Roman rulers and conquered the most powerful empire of that day, so there’s much more to „taste and see“ of the culture of a nation that has blessed the entire world with its historical heritage! Our prayer is that you will now bless us with your visit and empower our Italian church to reach a new generation of Italians who have yet to know their Lord and Savior!

Thank you for accepting our invitation to Italy!

Renato Amato,
National Leader Foursquare Italy

Dear Friends,

It is my joy and privilege to invite our Foursquare Europe Family to the next FEFC gathering at Lake Garda. There is no better place to taste and see the goodness of God than in bellissima Italia. We will meet as brothers and sisters to testify and experience the faithfulness and goodness of our Lord Jesus Christ. He is the same yesterday, today and forever.

We will look back and share about God’s grace and care in our lives and churches, but we will also look forward and proclaim his faithfulness and guidance for the coming seasons in our movement – with a number of changes happening in our global family:

- I will lay down my responsibility as board member and chairman of FEFC.
- We will pray for the new FEFC board members and chairman and release them into their new assignments.
- In Foursquare US there will be the handover from Glenn Burriss to Randy Remington as the new president and the new vice chair of the global council. We invited Glenn and Randy as speakers for our conference. They both will share their hearts and give insight into the new season for the global church.
- We will hear about other changes in different national works and ministries throughout Europe – and in all this we hold on to the promise of our God who speaks to all of us: **Taste and see that the Lord is good.**

So please join us at Lake Garda for our conference. On behalf of our eldership group in Foursquare Europe I invite you pastors, leaders, missionaries for a refreshing and inspirational time in Italy.

Volker Heitz,
FEFC Chairman
